

Bantam Male Athlete of the Year Award

Updated - December 7, 2009

CKBC will annually select the most accomplished athlete of each gender based on their top 2 singles performance at the BC Bantam Championship Regatta with a 2 km time being one of the performances measured. In the event of a tie a third singles performance will be used. Consideration will also be given to the size of the competitive field and criteria may extend to select the most competitive accomplished athlete based on the CanoeKayak BC Priority Ranking list.
