Travel Grant Policy - Sprint	November 2016	

1.0 Introduction

Canoe Kayak BC is thankful to the Ministry of Healthy Living and Sport and Community Access Gaming Grants for allowing us to provide support to those competitive members living outside the immediate event hosting region.

During the 2017 season, Canoe Kayak BC will provide a travel subsidy to registered competitive athletes participating in the following events and travelling a distance of over 100 km (round trip) or involving ferry travel.

- Canada Games Trials
- *BC School Dragon Boat Championships (Burnaby)
- Team BC Training Camps
- BC Championships / Nationals Qualifiers
- National Championships

*Bus travel will be arranged by the Canoe Kayak BC office in lieu of individual allocations. Eligible clubs must indicate their interest a minimum of four weeks in advance of the event. Athletes attending this event only are not required to have a 'competitive' membership, however they must be a registered member of a member club.
